

# Personal Auto Plus Coverage

Extra protection against unexpected costs

## 'What If' Scenario

You're on a 16-hour road trip. Halfway to your destination, you pull into a hotel off the highway, park your car and head inside for a solid eight hours of snoozing. On the way back to your vehicle the next morning, you notice the driver's side window is busted and your MP3 player and GPS system are gone. "A good night's sleep just turned into a major headache. I wonder if my auto insurance covers my MP3 player and GPS system?" you say to yourself after adding up the cost it's going to take to repair and replace everything.

## Peace of Mind That Pays Off

The unexpected costs that result from auto damage or break-ins can put a pinch on your wallet and may not be covered by your auto policy. If you've added the Personal Auto Plus Endorsement, however, and your car is damaged or broken into, you could rest a little easier knowing you have these money-saving extra coverages:

- Electronic equipment and accessories\*
- Waiver of deductible in select situations
- Replacement cost\*
- Air bag replacement
- Locksmith\*
- Lodging\*
- Rental car loss of use
- Tax, title and fees
