

Towing & Labor Coverage

added coverage to keep you moving

“What If” Scenario

The sky is blue, the sun is shining and you’re driving to the kids’ soccer game. Suddenly, you hear a strange clicking sound. The clicking quickly becomes a slow, steady grind, and the next thing you know, your car is puttering along at a snail’s pace. You pull off to the side of the road and surrender to the fact that you won’t be making it to the game any time soon.

From Point A to Point B Hassle-Free

Car breakdowns can be a hassle, but getting back on the road doesn’t have to be when you have Towing & Labor Coverage. This money-saving insurance can be a lifesaver if your vehicle ever breaks down and needs towed or repaired. It covers the costs of roadside emergencies, including:

- Mechanical labor at the site of the breakdown
- Towing to the nearest auto shop for repairs if your vehicle won’t run
- Towing if your car is stuck on or next to a highway
- Delivery of gas, oil or loaned battery, or a tire change
