Freedom to Ride

Grange Insurance gives you the freedom to ride on or off-road. When you choose Grange, you know you have the coverage you need.

Our motorcycle product is flexible enough to fit your riding needs. We offer many coverages – including Custom Parts or Equipment – for most on-road and off-road motorcycles. Ask your Grange Independent Agent for more details about our coverage options.

Loan/Lease Gap Coverage

With Grange's Motorcycle Coverage, you also have the option to choose our Loan/Lease Gap Coverage. Available in select states, this special protection pays the difference between the unpaid amount due on your loan or lease agreement and the actual cash value of the motorcycle, not to exceed 125%, in the event of a covered total loss of the motorcycle. Restrictions apply.

Discounts

Grange offers great discounts to save you money, including:

- Association membership
- Multi-motorcycle
- Safety riding course completion
- Anti-theft devices
- Multi-policy: Grange also offers competitive rates for auto and home insurance. Ask your agent how you can **save money by choosing Grange** for all your insurance needs.
